

Texas Rush Soccer Club is extremely proud to announce that Kimberly Rodriguez of the U14 ECNL team has been selected to attend the U14 Girls' National Team (GNT) Camp in Cary, North Carolina, October 20-27, 2012.

Kimberly (or K-rod, as she is known by her teammates) has been a member of this talented 1999 age group for Texas Rush since the age of 10. The dynamic central midfielder player has also performed at the '98 and '97 age levels. She recently competed in Phoenix at the ECNL National Showcase with the U16 ECNL team, playing with and against players nearly three years older. The U14 Girls' National Team Camp will consist of 30 players, from around the country, selected by the US Soccer Federation Technical Staff.

“Kim is an outstanding talent; there is no question about that! However, selection for a National Team Camp takes more than just talent. Kim has a unique passion for the game complemented by a tireless work ethic and a great attitude to learn. She fully deserves this opportunity to prove herself as one the best players in the country,” states Andy Squire (U14 Head Coach/Director of Coaching – ECNL).
